APPLICATION FOR MEMBERSHIP

The Dorset Clock Society has been running for approximately thirty years and caters for those with an interest in the various aspects of Horology. A few members are professional clock and watch repairers/restorers, some are collectors other just have a general interest in clocks and perhaps the historical aspects of the subject. The Society attracts a diverse membership with many female members and we encourage applications from couples.

We have about four formal meetings a year plus a summer barbeque and a celebratory Christmas dinner and occasionally a visit to a museum or collection.

Subscription to the Society for 2024 is £20 per annum for single membership and £35 for a joint membership at a single address, and £10.00 for students and juniors under 18. Members joining after 1st June are eligible for a 50% discount.

If you would like to join us, please complete the application form below and send it with your subscription to the Treasurer at the address above. Please make cheques payable to "The Dorset Clock Society".
